

Annapolis Charter 300 – Annapolis Alive!
Celebration
Prospective Event Form

The Annapolis charter celebration marks the 300th anniversary of the founding of our city's charter, the formation of a representative government in the southern colonies and the area's struggle for voting rights. The celebration, taking place in from January 2008 through March 2009, will help educate residents and visitors alike about the importance of Annapolis' founding to our national story. The people of Annapolis and the surrounding areas will be showcased to the world during the commemoration.

To create an inclusive program that highlights the diverse residents of our city, The Steering Committee is looking for community groups to join the celebration. Please let us know if you or your organization plan to participate in the program by hosting an event. AC 300 events will receive mention in our schedule of events and will be spotlighted in other promotional materials (on-line, media and printed materials).

Description of event. Be sure to include how it relates to AC 300 and any organizational affiliations:

Proposed site of event:

Date of event:

Target audience:

How will you promote the event?

Funding required:

Funding sources:

Identify project leader(s) and those who will work actively on it:
